SOCIAL EMPOWERMENT

THROUGH

QUALITY EDUCATION

ACADEMIC INTENSIVE CARE UNIT

**An innovative approach of
imparting high quality
education to the dropout and
probable dropout students of
School Grades 1st to 12th.**

Education on this concept is being conceived and delivered with specific approach to target stake holders by Shaheen Educational Society in Bidar–Karnataka.

Their success rate is 100% since 15–years consistently.

- ▶ **Name of Project: Social Empowerment Through Quality Education**
- ▶ **Beneficiaries:** Dropouts and probable dropouts between School Grades 8th to 10th.
- ▶ **Location:** All India. To start with there can be at least 10 centres in India.
- ▶ Later on, more centres can be established. Ideally, it may begin from Delhi.

- ▶ **Dropout**
- ▶ Dropout of students from the schooling stage of Grades 1st to 12th is rampant throughout India. The rate is growing every year.
- ▶ The dropout occurs mainly in three stages: 7th to 9th, 10th, and 12th Grades.
- ▶
- ▶ **Reasons:**
- ▶ Main reasons attributed by the community to dropouts are: Financial Scarcity, Social Backwardness, and inaccessibility of Quality Education.

- ▶ **FACTUAL REASONS:**
- ▶ Prime reason is dearth of quality education.
- ▶ From Grade 6th/7th onwards educationally weak students would not understand lessons in languages and Mathematics hence, schooling becomes burden to them.
- ▶ To avoid this trouble, the child seeks friendship and enjoyment outside the school.

- ▶ **RESPONSIBILITY OF ALL:**
- ▶ The dropout is not merely an educational problem; it is a growing menace affecting the whole society.
- ▶ The society is discussing the issue, government and NGOs are providing scholarships and materials to students; all this is not helping to solve the problem.
- ▶ The solution is to diagnose the problem that students are weak in Mathematics and languages.

- ▶ **ACADEMIC INTENSIVE CARE UNIT:**
- ▶ The need of the hour is to have an intensive program with focus on the targeted stake holders.
- ▶ SHAHEEN has special program of Screening, testing and separate classrooms for dropout students. They have been implementing it successfully since 15-years in Bidar-Karnataka State.
