GROUP OF INSTITUTIONS

# MESSAGE FROM FOUNDER

Dear Students and Parents,

At Shaheen Group, we believe that education should be a transformative experience, one that goes beyond traditional rote learning and embraces a comprehensive structural change. Our commitment to preparing the future-ready generation has led us to upgrade our integrated NEET program, setting a new standard for educational excellence.

Our classroom program is designed with meticulous precision, offering a scientific and systematic course curriculum that aims to unlock the innate potential of our aspirants. We understand that success in competitive exams is not just about acquiring knowledge but also about honing problem-solving skills. That's why our curriculum is crafted to achieve both.

Our faculty members are not just educators; they are mentors with a proven track record of guiding students to consistent success in various competitive exams. We firmly believe in the power of interactive learning, ensuring that every student receives the attention they deserve to address their unique concerns and challenges.

To stay at the forefront of education, our expert faculties continually update study materials to align with the latest exam requirements. Our dedicated Research and Development team keeps a watchful eye on changing trends, ensuring that we adapt to these changes promptly. When you become a part of our educational ecosystem, you can rest assured that your path to success is well-guided and supported.

At Shaheen Group, we don't just prepare students for exams; we prepare them for life's challenges. Join us in this journey of transformation and empowerment, where your success is our ultimate goal.

Welcome to Shaheen Group - where education meets excellence.

# CLASS XI-XII INTEGRATED WITH NEET/JEE/UPSC

## SCIENCE AND ARTS STREAM

**Charting Your Course to Success: Unveiling Our Prospectus  
for a 21<sup>st</sup> Century Education**

Transform your educational journey with our integrated courses, meticulously designed to embrace the challenges of the 21<sup>st</sup> century, aligning perfectly with the visionary New Education Policy 2020. Our mission is to revolutionize academic learning into a future-ready, competitive venture, all starting with the "catch them young" approach.

It's an undeniable truth that the secondary level (9th grade and beyond, as per NEP 2020) holds the key to unlocking the competitive skills needed for the future. Sadly, this critical phase is often overlooked in traditional academics, with excellence limited to acing board exams.

Enter our two-year program, meticulously crafted by a team of esteemed NEET/JEE/UPSC faculty, civil servants, and renowned scholars from India. This program transcends conventional academic learning, evolving into value-based education that fast-tracks your journey towards your dream career.

Our program structure covers a comprehensive spectrum, including fundamental concepts spanning from class 6 to 12, as well as competitive skills in reasoning, arithmetic, epistemology, personality development, ethics, communication skills, debating, group discussions, competitive English, and general awareness.

Enroll with us, and you'll embark on this transformative educational journey right from the 11th grade. Our batches are intelligently segregated into three streams: Science exclusive and Arts exclusive, tailored to meet the unique demands of various competitive exams in a professional and effective manner. Elevate your education, secure your future – join us today!

## \* ACADEMIC INTENSIVE CARE UNIT (AICU) FOR SLOW LEARNERS

Shaheen's AICU, launched in 2003, successfully reintegrates school dropouts and Madrasa students aged 10-18 into mainstream education. It offers a comprehensive curriculum from class 5th to 12th, focusing on holistic evaluation rather than just academic scores. With a teacher-student ratio of 1:6, it provides English and Mathematics knowledge over 3 months. AICU annually supports around 500 students, leading to alumni thriving in top institutions like Bangalore Medical College, Jamia Millia Islamia, and Aligarh Muslim University, showcasing its transformative impact on education.

# 4-YEAR SPECIAL PROGRAM FOR DROPOUTS AND THOSE WHO HAVEN'T ATTENDED SCHOOL

Are you a dropout or someone who has never had the chance to attend school? We understand that life can take unexpected turns, but it's never too late to take control of your education and future. That's why we're excited to introduce our Special Program designed exclusively for individuals like you.

## What is Our Special Program?

Our Special Program is a transformative educational journey that spans four years, providing a structured and supportive environment to help you realize your academic potential. Here's what you can expect:

**1. Specialized Training (6 Months):** During the first six months of the program, we provide specialized training to ensure you have a strong foundation in basic language and mathematics. Our unique \*Academic Intensive Care Unit (AICU) curriculum is designed to help you catch up and build confidence in your academic skills.

**2. Class X Syllabus (1 Year):** After completing the bridge course, you'll embark on a year-long journey focused on the rigorous Class X syllabus. Our expert instructors will guide you through the curriculum, ensuring you're well-prepared for the challenges ahead.

**3. Bridge Course (3 Months):** Following the initial training, we offer a comprehensive bridge course covering English, Mathematics, Science, and Social Studies, based on 6-8 NCERT books. This phase is crucial for preparing you for more advanced subjects and concepts.

**4. Specialized Track for 27 Months:** Upon successful completion of Class X, you'll have the opportunity to choose a Science Stream with a NEET Course:

- Science with NEET/JEE: If you have a passion for science and aspire to pursue a career in fields like medicine, this track will prepare you for competitive exams like NEET. We'll cover the syllabus from Class IX to XII over 21 months, followed by a 6-month revision.

At Shaheen Group of Institutions, we believe that education is a powerful tool that can unlock countless opportunities. Don't let past circumstances define your future. Join our Special Program and take the first step toward a brighter tomorrow.

Invest in your education; invest in your future. Join us today!

# 3-YEAR NEET INTEGRATED PROGRAMME WITH FOUNDATION COURSE

## 3-Year Program for Class X Students: Building Strong Foundations for Success

Are you a Class X pass student/Class X fail student who feels a bit shaky when it comes to the basics of Mathematics, Language, and Science? Don't worry; we've got you covered! Our comprehensive 3-year program is specially designed to help students like you strengthen your foundation in these crucial subjects and excel in your academic journey.

Here's how our program works:

### **Phase 1:** Initial Assessment and Intensive Care

In the first three months of the program, we focus on building a solid foundation in language and mathematics through our unique \*Academic Intensive Care Unit curriculum. This phase is essential to ensure that you have a strong grasp of these fundamental subjects before moving on to more advanced topics.

### **Phase 2:** Assessing Progress and Moving Forward

After the initial three months, we conduct an assessment to gauge your progress. Once we're confident that you have a solid understanding of the basics, we proceed to the next phase.

### **Phase 3:** Class 6 to Class 8 NCERT Syllabus

Over the next 6 months, we dive into the Class 6 to Class 8 NCERT syllabus. Our experienced educators will guide you through these grades, ensuring that you not only cover the curriculum but also gain a deep understanding of the subjects.

### **Phase 4:** Preparing for Class XII with NEET : 27 Months programme

In the final two years of our program (Class XI-XII), we shift our focus to Science subjects, aligning with the NEET curriculum. Our goal is to prepare you thoroughly for competitive exams and higher education opportunities in the field of Science. We'll cover the syllabus from Class IX to XII over 21 months, followed by a 6-month revision.

Why Choose Our Program?

**Expert Instructors:** Our experienced teachers are dedicated to your success and will provide personalized guidance throughout your journey.

**Unique Curriculum:** Our \*Academic Intensive Care Unit curriculum sets us apart, ensuring that you master the basics before advancing.

**Comprehensive Preparation:** From Class X to competitive exams like NEET, we've got your entire academic journey covered.

**Supportive Environment:** We believe in fostering a supportive learning environment where you can ask questions, seek help, and grow academically.

Invest in your future today! Join our 3-year program and lay the strong foundations for a successful academic career. Don't let weak basics hold you back—embrace the path to excellence with us. Enroll now and embark on your journey to academic brilliance!

# MADRASA PLUS INITIATIVE: ILLUMINATING A BRIGHTER TOMORROW

Introducing the Madrasa Plus Initiative, a powerful expansion of the acclaimed \*Academic Intensive Care Unit (AICU) by the Shaheen Group. Our vision is to empower 5,000 Madrasa students across India with contemporary education. The journey has already begun, with 2,087 students and 203 dedicated staff members. We've ignited change in 54 Madrasas across the nation, offering an 18-month program meticulously designed to prepare students for Class X examinations. Our secret? Personalized teaching and an impressive 1:6 teacher-student ratio in the beginning, while teaching basic mathematics and English.

Here's your opportunity to be a catalyst for change through the Madrasa Plus Project:

1. **Empower Tomorrow's Leaders:** Become a sponsor for Huffaz and Madrasa students, enabling them to join our Madrasa Plus Centers. We guarantee free education and hostel facilities, ensuring no financial barriers hinder their dreams.
2. **Local Transformation:** Take action within your community or sphere of influence by adopting a nearby Madrasa. We pledge unwavering academic support, paving the way for a brighter future for these eager minds.
3. **Champion Excellence:** Contribute to the growth of an existing Madrasa Plus Center by supporting teacher salaries, academic expenses, or even daily meals. Every ounce of support plays a pivotal role in shaping the future of these young minds.
4. **Enhance Technological Access:** Help us provide Madrasa Plus Centers with essential technological resources such as Digital Boards, Computers, and Printers, enabling students to access modern educational tools and resources effectively. Your contribution in this area will make a significant difference in their learning experience.

Join us in this noble mission to reshape the destinies of Madrasa students and cultivate a more inclusive educational landscape. Together, our collective efforts will leave an indelible mark on generations to come.
