LIGHTING THE WAY TO
A LIFE OF SUCCESS

Bidar: A Legacy of Learning

Bidar has a long history of education, once home to the Madrassa of Mahmud Gawan, a famous center for Persian, Arabic, philosophy, theology, and mathematics. Built in 1472 by Prime Minister Khwaja Mohammad Gawan under Bahamani ruler Muhammad-III, it was a symbol of knowledge and scholarship.

Though the madrassa eventually disappeared, Bidar remained a center for learning. In 1989, Dr. Abdul Qadeer started Shaheen in a small room with just one teacher and 17 students, aiming to advance society through scientific education. Despite many challenges, Shaheen grew steadily and is now one of India's leading educational institutions.

Chairman's Message

Assalamu Alaikum, Warm Greetings!

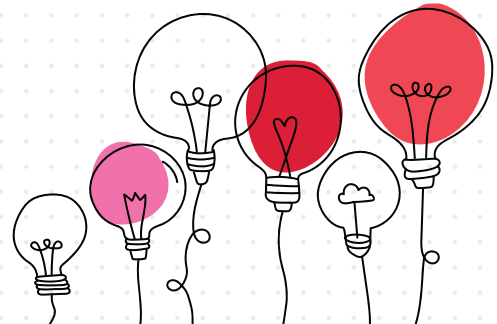

At Shaheen, we believe education is the most powerful way to build a better and more peaceful society. Our goal is to guide young minds with knowledge, values, and confidence to create a bright future. Over time, Shaheen has become known for its quality education and strong focus on character. We don't just prepare students for exams—we also teach them honesty, discipline, and responsibility.

As the world changes with technology, we make sure our students are ready for the future, with the right skills, flexibility, and values to succeed anywhere.

This journey wouldn't have been possible without the strong support of schools, community leaders, and parents who believe in our vision. As we grow, we invite you to join us in our mission to build a generation that is smart, responsible, and ready for tomorrow's world. Together, let's give our students more opportunities and help shape a brighter and more inclusive future for all.

With heartfelt Prayers

Dr. Abdul Qadeer
Chairman

Directors Message

Shaheen is committed to making the best use of future opportunities while staying true to the values it has always followed.

Abdul Haseeb
Managing Director
Shaheen Group Of Institutions

Shaheen views education not merely as a means for individual career success, but as a vital foundation for the development and progress of both community and the nation.

Abdul Muqeeth
Director, Academics
Shaheen Group of Institutions

VISION

To identify, tap and nurture the innate potential in every child to shape the generation next that's successful, socially responsible and reveres the noble tenets of constitution to imbibe the true concept of wholesome living.

MISSION

To engage, educate and empower wards enabling them to seize the world of opportunities manifested in the form of free education across various domains in state-owned academic centers of excellence.

Brief History & Background

Shaheen Group of Institutions began its journey 35 years ago with just 17 students in the by-lanes of Old Bidar city. Today, it has expanded into 104 campuses across India and the Gulf, nurturing nearly 50,000 students. Founded under the visionary leadership of Dr. Abdul Qadeer, Shaheen has pioneered holistic learning, seamlessly integrating modern education with strong ethical and moral values.

With a proven track record of sending over 5,000 students to government medical colleges, Shaheen has established itself as a leading institution in preparing students for medical, engineering, and competitive examinations.

Beyond academic excellence, Shaheen has played a transformative role in empowering Madrasas through its pioneering "Madrasa Plus" program, ensuring that students from traditional Islamic institutions receive contemporary education along with their religious studies.

AICU (Academic Intensive Care Unit)

Dr. Abdul Qadeer himself designed this program in 2003 that has transformed the lives of school dropouts and Madrasa students (ages 10-18). By providing a special program with scientifically designed modules and ongoing assessments, it enables them to join regular classrooms. Each year, over 1,000 students benefit, and many have gone on to succeed at top institutions like AIIMS, Jamia Millia Islamia, and Aligarh Muslim University.

06

MADRASA PLUS

Shaheen Madrasa Plus course is a pivotal initiative designed to unlock new opportunities for Madrasa-educated students. By providing tailored support, it empowers Aalim and Hifz graduates to integrate into mainstream education and pursue careers in fields like law, medicine, and engineering, while successfully navigating examinations such as CLAT, NEET, and IIT. With fifteen years of experience, Shaheen continues to champion the academic advancement of Huffaz.

07

SHAHEEN DIGITAL ACADEMY

Shaheen Digital Academy is a one-stop online learning solution for NEET, JEE, CLAT, CUET, UPSC, and CA Foundation. It offers expert-led live and recorded classes by Shaheen's top faculty. The platform is specially designed for smooth online learning and is available with or without a tablet. Students get regular test papers, mock exams, and detailed performance evaluations. A customized practice system supports learners at all levels for effective preparation.

08

SHAHEEN INTERNATIONAL SCHOOL

Shaheen International School is a new milestone by Shaheen Institutions, bringing world-class education to Bidar. With a global and innovative curriculum in collaboration with the Western Australian Board, it prepares students for a successful future. The school features an aesthetically and scientifically designed infrastructure that supports modern, effective, and joyful learning.
